

High School Students

DIPLOMAS

Diplomas are optional because in homeschooling you are not required to receive a diploma. Calvary School offers three types of diplomas. There is a fee for diploma printing. We will have a graduation ceremony at the end of the school year to award diplomas to Senior's graduating. There will be a fee for graduation ceremony, but the ceremony is optional.

Vocational diploma. A Vocational diploma is offered ONLY to our special educational students.

<u>Standard diploma</u> : requires 25 credits.	English	4
	Math	4

College Bound Students:

ACT testing can be arranged at www.ACT.org. Follow the directions to register a date, time and location to be tested. Check with your college choices to find out what their score requirements are.

It is required that all high school subjects are to be list as such : Pre-Algebra, Algebra I, II, Geometry etc...American Literature, Comp I, II etc..... American History, Geography etc..... Biology, Physical Science, Anatomy, etc..... Never Just Math, Science, History or English.

Only 1 credit per subject title is allowed. Absolutely no exceptions.

1 credit = 135 hours per subject title. Only one grade level per physical school year(Sept1 – June1) will be accepted.

Also good idea for college bound students to take Alabama History.
