Carla's Desk

Hello Everyone,

Attention Seniors and Families I will be emailing out the order forms for graduation soon. I am sorry to announce that there will no longer be a graduation ceremony. A lot of planning and prep goes into having the ceremony and then only a few families participate. So, all options for graduation will remain the same **“just no ceremony”**. You will still have the option to order diploma, cover, gown & tassel.

Please feel free to check out the web links that are listed on Calvary's website. There are many fun and educational sites for parents and students. If anyone has any websites that they would like to share. Please email the to carlafloyd@calvary-school.org. I will review them and post them. They do need to be educationally based or informational to homeschooling parents. The more fun the better!!!
