Carla's Desk

Hello Everyone,

Wow! Can you believe another school year is knocking at our door? Where did the summer go? I hope everyone had an awesome and safe summer.

I want welcome all of our new and returning families. We are going to have a great year!!!

Calvary School has it's own Facebook page where all of Calvary's families can come together to share ideas, ask questions, buy and sell their curriculum and much more. All you have to do is go to www.facebook.com make yourself an account, if you don't already have one, search for "Calvary Families" and send a friend request. This for Calvary Families only. If I do not recognize the name I will not accept the friend request. Please email me before sending a friend request.

Please come and share with all of the other families, keep it clean please, get the kids involved and lets see how much we can share and get to know each other.

The newsletter will as always be posted on our website around the 25th of each month. I will try to send them by email again but, if I run into the same problem I had last year with "Yahoo" you may have to just view or print the newsletter from the website www.calvary-school.org .
